Fire Desiroys Barn.

(Special to The Times-Dispatch.)

WYTHEVILLE VA. Aurust 7.—W.

It Hufferd and tamily, who had been visiting reintives in New Market, Va., for three weeks, returned home late vesterday, and at 5 o clock this morning was awakened by the roar of fire, to find the barn in flames. When discovered the fire had made such headway that nothing could be done to check it. Mr. Huffard's loss in feed and farming implements amounts to about \$1,800, covered by an insurance of \$700.

Which causes necrosis of the bones. Calomel, when it comes into contact with sour bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish liver to work and clean your bowels of that sour bile and constiguted to you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just take a spoonful of harmless bodson's Liver Tone will keep your content to the fire had been to calometed to you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just take a spoonful of harmless bodson's Liver Tone will guarantee that a bottle of Dodson's Liver Tone will keep your entire family free in your plane of the bones.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of and they like its pleasant taste.—Adv.

GREECE WILL NOT CEDE

Substance of Reply by Premier Gou-naris to Delegation of Mace-donian Deputies.

LONDON, August 7 .- "Greece will not cede one inch of territory to Bulgaria," was the substance of a reply made by Premier Gounaris to a dele-NOT DECIDED AS TO LOCATION gatton of Macedonian deputtes who asked a statement relative to the purpose of the government, says a dispatch from Athens.

> In the negotiations which have been conducted by the allies of the quad-ruple entente with Bulgaria in an effort to induce her to enter the war on their side, she has insistently de-manded that she be ceded that part of Macedonia which was awarded to Serbia at the close of the Balkan wars

investigation, and Italian ministers at Athens called upon him Wednesday and made united repfor years in the employ for the assistance of Greece.

Similar representations were yesterday to the Serbian Pri and Scaboard Air Line Railways, who had studied the bridge proposition here and prepared plans for a concrete bridge, was granted the privilege of and Greece may be numbered among

While 17,004,000 Bales Were Grown in 1914-15, Commercial Crop Was Only 15,108,111 Bales.

ENTIRE VALUE \$749,384,978

This Is Compared With Total Value of \$1,134,444,114 for Preceding Crop-Report Concerning Use of Linters of Special Interest.

NEW ORLEANS, August 7 .- In a final report on the cotton crop of brought beain Patteson,
having the

Slavs, Osmanlis and Greeks. The Slavs
are Bulgarians and Serbs.
The statement attributed to M. Gouoff was due to the war and how much

The crop is spoken of as running remarkably even in grade, averaging middling, without a superabundance of either the higher or the lower grades. The average price per pound for middling during the year was 7.34 cents against 13.49 during the preceding year.

A feature of the report which proved of special interest to the trade consistency of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war, and is still going the propagation of the war.

that the consumption of cotton would be greatly increased by the war. From a monthly average of 25,000 bales of linters during the first half of the season the consumption jumped to 40,000 bales during the second half. Linters consumed during the season amounted to 325,000 bales, an increase of \$6,000 over last year.

During the period of low prices both Northern and Southern spinners bought freely, and their aggregate takings were \$6,354,000 bales, a new high record for the mills of this country. While the year opened with doubt

While the year opened with doubt and uncertainty for the American mills, great activity came later, with the result that in the South new high marks for consumption were reached, the consumption in the Southern group of mills exceeding the previous record the consumption in the Southern group of mills exceeding the previous record, made last year, by 199,000 bales. The South consumed 3,163,000 bales, the North 2,618,000 and the entire world

States, Texas, easily leads with 4.619,-000 bales, and Georgia comes second with 2,440,000. Dividing consumption in the South, North Carolina leads with

\$15,192 bales, while South Carolina comes second with \$26,838.

The maximum consumption in the CHARGES TO WASHINGTON take was 300,000 bales. This would mean that should the maximum con-sumption be extended over the year the South has a consuming capacity at present of 2,600,000 bales.

FALLS INTO CLUTCHES

OF ANARCHIST BAND

After making a fortune out of insurance, Prouvost espoused the anarchist cause, published subversive pamphleir and journals and finally fell into the clutches of the Bonnot band, whose sensational crimes excited Parist two years ago. False news began to circulate behind the lines early in the fall of last year; soldiers in hospitals and at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had at the front received anonymous letters and circulars with significant had and the first provided by a court-martial and the slows good the subway.

It was finally discovered that the subjects treated and the language used were the same as in some proclamations dropped by German aviators upon positions held by troops of the second line of Basseux in November. Finally a woman was detected dropping large packets of letters into letter boxes and was shadowyd. She received letters from St. Raphael in the Department of the War in the name of Herman, her real name being Donnadeu, wife of a well-known anarchist, living with another anarchist named Hurcau. All three were arrested, and their correspondence was traced to the millionspondence was traced to the millionaire Prouvost. Prouvost admitted pay-ing the postage on the letters and circulars, but declared that he had no intention of engaging in a guilty prop-aganda. Behind Prouvost, Hureau and Madame Donnadieu the police

think there was a well directed system of German espionage.

The Eclair declares that it has traced
